REQUEST FOR EXAMINATION REMARK 2017

Student's Last Name: _____ Student's First Name: _____

Candidate Number (i.e.002424-000): _____

If a student's examination results are lower than expected then a remark may be requested. Students and parents should be aware that this could result in the overall grade going either up or down, and as such is only recommended if a student is close to the grade boundary of the higher grade.

There is a fee of $150 (CAN) per subject for each remark which will be refunded if the **overall grade** is altered. Requests need to be made before the 7th of September but the sooner they are requested the quicker they will be processed and updated transcripts sent to the universities. The International Baccalaureate Organisation aims to get the remark processed within 18 days from the date of submission.

If you have any questions please contact Mrs Clark at kclark@mulgrave.com or Mr Davis at cdavis@mulgrave.com.
