QUICK FIRE WITH TESSA

Best part about a student athlete...you get to know your teammates better and it's a great way to meet friends. To celebrate a big win...victory dance and the occasional fist pump :)

QUICK FIRE WITH LUKA

If you could play for any soccer club..it would be Manchester United. The traits you admire in athletes are...hard work, passion, dedication and teamwork. To prepare for a big game...I get a good and thorough warm up and stretch.

TICKETS TO WHERE & WITH WHOM?

TESSA: I would love to get tickets to the Australian Open or Wimbledon and I would bring my mom and dad as they play tennis too.
LUKA: I would like to get two tickets to the World Cup Final and I would take my dad.
