

MVP Spotlight

SHANNON VRSNIK

Shannon is Mulgrave's ELC MVP Divisional Rep. Among her responsibilities in this role, Shannon meets with new families and connects them to the ELC. For Shannon, this opportunity is a privilege and one she approaches with the mindset of an ambassador to the school at large. Her sincere appreciation for the school, our community and IB are just some of the many reasons why Shannon chooses to volunteer.

MEET SHANNON

Shannon and her husband Victor moved to West Vancouver from Winnipeg 14 years ago. Since then, her family has grown by three - Kate (G4), Cole (G1) and Callum (PK4). When not at school or participating in co-curriculars, the busy bunch can be found relaxing with friends and family on the weekends. The family has been part of the Mulgrave community since 2011 when Kate entered Kindergarten. Shannon is quick to share that the school's positive energy and the fact her children are happy and thriving are only two of the many things that she loves about Mulgrave.

Q & A

Qualities you admire in others?

I really admire people who are honest, caring, and authentic.

Favourite tool to stay organised?

iPhone, messenger, family calendar, and email of course.

Favourite part of the day?

After dinner, when all activities are finished for the day and the family can relax a bit together before bedtime.

"I've enjoyed meeting and greeting many new families as they start their voyage with Mulgrave at the ELC entry point. These relationships are so special as we will know one another for many years to come."
