QUICK FIRE WITH NINA

The traits you admire in other athletes are...sportsmanship, commitment, leadership and communication. Which teammate makes you better...Julia because she is always encouraging me and helping me improve.

QUICK FIRE WITH GARRETT

The professional team I follow is..the OKC Thunder. The traits you admire in athletes are...attitude and determination. If you could meet any pro athlete it would be..Anthony Davis because he is my favorite NBA player.

TICKETS TO WHERE & WITH WHOM?

NINA: I would get two tickets to an NBA game and I would take Zoe with me.
GARRETT: I would get tickets to the NBA Finals Game 7 and I would take Ali because he shares all of my passions and would be just as excited as me.
