

SEA TO SKY

Outdoor School for Sustainability Education Inc.
Sunshine Coast, British Columbia, Canada

PACKING LIST

This is an outdoor program that requires students to be dressed for the weather. Due to the high probability of rain and the need for the students to spend a large percentage of the day outside, please ensure that you come properly equipped so that this exciting learning experience is also a comfortable one. Activities will have you in forest, high bluff and shoreline environments so old clothes that can get dirty and will dry quickly are necessary. Both campus sites at Sea to Sky Outdoor School provide cabin accommodation with bunk beds and sealed mattresses as bed units for sleeping. Students should bring all their personal belongings in a large backpack (inside backpack clothes should be sealed in plastic bags). The following list of personal items is designed to be used as a general guideline only. In the spirit of Sea to Sky avoid new purchases as much as possible by going with what you've got or borrowing what you need. **Put your name on everything you bring.**

VERY IMPORTANT ITEMS

- sleeping bag (plus *sleeping pad* for select programs)
- pillow case (to be stuffed with clothes for pillow)
- rubber boots (for muddy trails and/or beach)
- medium sized day pack (see 'Go Gear')
- large lunch for Day 1 **and travel snacks** (please don't bring any foods that produce garbage)
- large plastic drinking mug
- spoon and 'tupperware' container with tight lid
- cloth napkin (for mealtimes)
- rain wear
- personal medications (in ziplock bag with student's full name) to be collected by Teacher on Day 1
